December  
2017

*Newsletter of the Yorktown Civic Association*

The Yorktown Civic Association (YCA) represents residents living in north Arlington, Virginia, bound by Lee Highway on the south, Old Dominion Dr./Columbus St. to the east, Little Falls Rd./Rock Spring Rd. on the north, and N. Jefferson St. to the west. <http://YorktownCivic.org>

## YCA Sets Attendance Record; Meets Alliance

by President Mike Cantwell  
[mcantwell@msn.com](mailto:mcantwell@msn.com)

Join us at our next YCA meeting: December 13 at 7:30 p.m. Each member of the YCA board is bringing cookies to share; extras will be given to residents who attend! It's also our annual election.

In September, more than 60 residents (a record!) attended the YCA meeting. Our main topic was teen drug use. Speakers included Captain David Giroux (ACPD First District Commander), Captain Tom Trumble (ACPD Drug Enforcement), Corporal Andrew Nucelli (Yorktown School Resource Officer), and Ms. Mila Vascones-Gatski (Yorktown's Substance Abuse Coordinator).

An informative and eye-opening presentation was followed by a spirited Q&A. Captain Giroux asked the residents to help reduce teen drug use in Arlington. Residents should look out for drug paraphilia and suspicious activities. **If you see something, say something.**

The **Lee Highway Alliance (LHA)** held a Board Meeting in September at their new office space at 4620 Lee Highway (Suite 208).

The Arlington County Planning Department has interviewed candidates for County Planner who will lead the upcoming re-planning of the Lee corridor. The process will include a Community Forum (task force) with 40 members, and a working group of 8 participants, who will meet with staff and consultants to re-plan the corridor. The County has agreed that LHA, civic associations, and advisory groups will be represented on the task force. The process is likely to begin in early 2018.

The County is also in the early stages of planning the design of **Fire Station #8**. Many LHA board members feel that some space in the station should be made available for community needs. I encouraged the Board to

focus on core emergency management functions of the Fire Station.

I continue to engage with the business and property owners at **Garden City Shopping Center** to try to improve site conditions and better engage them. One idea being discussed is creating a Merchants' Alliance. There are a number of issues common to both the businesses and the neighborhood, including trash removal, code enforcement, snow removal, and parking.

The YCA Executive Committee is deciding if we should incorporate the Yorktown Civic Association as a 503c4. Incorporating will reduce personal liability for Executive Committee members and add clarity to the annual elections,

finances, and record keeping. We plan to engage in a transparent process as we move forward, and bring information to the December meeting. Please join us!

# December Meeting to Focus on Cookies (& Election)

by Elizabeth Kiker  
elizabeth.kiker@gmail.com

Participating in the Yorktown Civic Association is a great way to learn about progress (and pitfalls) of living in Yorktown; to connect, collaborate and occasionally commiserate with neighbors; and to stay up to date on all the neighborhood news worth knowing.

The December 13 meeting, held at Yorktown High School, will be our annual business meeting, with elections needed to keep our Executive Committee going, and a thoughtful discussion around the idea of incorporating in Virginia.

It will also be a time to share holiday snacks, baked by the Yorktown Civic Association Executive Committee (we'll vote on the favorite!) as well as connect with old friends and new neighbors.

To entice you out during this busy holiday season, we promise to have hot apple cider; delicious cookies; a relatively quick business meeting.

Please join us at 7:30 p.m. in Yorktown High School Patriot Hall on Wednesday, December 13 --use door #8 near the basketball courts.

Future meetings will feature county speakers, school topics and more opportunities to connect with your neighbors.

The only thing missing from the Yorktown Civic Association is YOU!

## Incorporating the YCA: Join the Discussion

by President Mike Cantwell  
mcantwell@msn.com

The Yorktown Civic Association (YCA), created in 1992 via merger between Milburn Terrace and Garden City Associations, serves the common needs of our community. The leaders of the YCA are considering incorporating in Virginia, which would mean clarifying our mission,

updating our bylaws and would allow us to purchase directors' insurance.

Currently, the mission of the YCA is: to preserve the quality of our neighborhood; to keep the community informed on issues that impact us; and to be an advocate for the community on those issues with local and state government.

In addition to reaching out to neighbors and experts, we are in discussion with other neighborhood groups in Arlington to learn from their work.

As we start to revamp the bylaws, mission, and election processes, we'd love to hear from YOU. We'll start this discussion at the December 13 meeting. Join us!

## New Middle School Means New Boundaries

by Craig Mastrangelo  
craigmastrangelo@gmail.com

In an attempt to relieve overcrowding at Arlington middle schools, most notably Williamsburg and Swanson, Arlington County has been considering a variety of revised school boundary options.

The new school boundaries allocate students to the new middle school that will open in 2019 at the Stratford site. Students who will be affected by these changes are those currently in grades 4, 5 and 6.

At the "What We Heard" meeting held at Yorktown HS on Wednesday October 25, APS staff presented drafts of only two refined options, A and B, that the county was considering before submitting their recommendations to the school board for their vote.

The current middle school student population is 6,613 students, with roughly 1,300-1,400 students proposed to attend the new middle school. Their handouts noted that a majority of students will remain in their current middle school attendance zone and that more than 50 percent of students are in the potential walk zone for 4 schools.

APS will reassess the transfer policy for middle school students for 2018-2019 after the new boundaries have been finalized. Of most importance, according to APS, is that none of the middle schools will be over 110% capacity in 2022.

As of November 8, APS favors option A

and is no longer considering option B. Superintendent Dr. Murphy presented his recommendation for middle school boundaries on Nov. 14, 2017. Citizens also were able to speak up on Nov. 30, 2017. For information about speaking at a School Board meeting, visit [www.apsva.us/school-board-meetings/sign-up-to-speak/](http://www.apsva.us/school-board-meetings/sign-up-to-speak/). School Board action is scheduled for Thu, Dec. 14,

The bylaws stipulate that nominations for the Executive Committee must be published in the newsletter prior to the fall membership meeting where the election takes place. The terms of the officers shall

begin on the first day of the month succeeding that in which they were elected and are for two years.

The following slate of officers and members of the Executive Committee is being proposed for the December 13, 2017 YCA meeting.

The slate is as follows:
